## Simple Pasos Para Actualizar Tu Contraseña

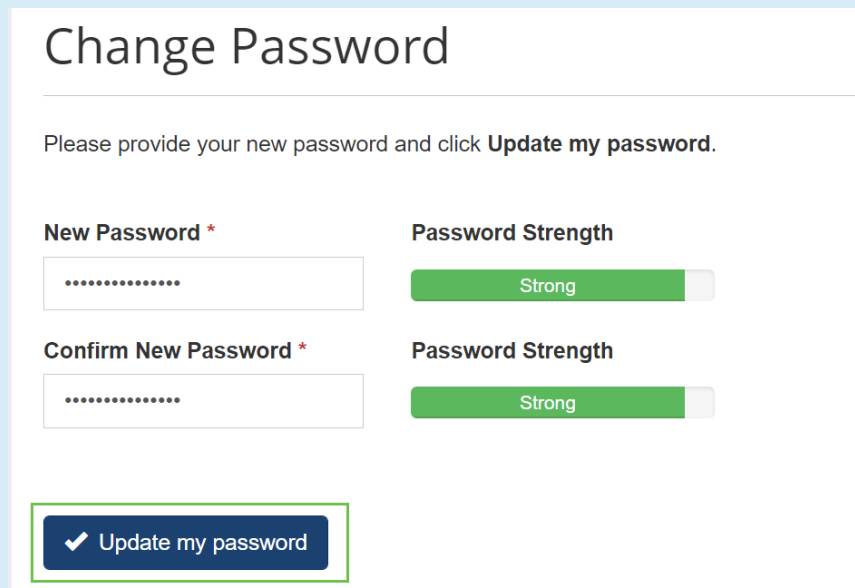

1

Desde la pagina principal elige la opción “My Profile” y selecciona “Change Password”.

2

Ingresa tu nueva contraseña dos veces y elige “Update my password” para finalizar la actualización.

A screenshot of the 'Change Password' form. The title is 'Change Password'. Below the title, it says 'Please provide your new password and click Update my password.' There are two input fields: 'New Password \*' and 'Confirm New Password \*', both containing masked text. To the right of each input field is a 'Password Strength' indicator showing a green bar and the word 'Strong'. At the bottom, there is a blue button with a checkmark and the text 'Update my password', which is highlighted with a green box.
